FOREWORD

We are pleased to provide you with the fourth annual report of civil asset forfeitures in Alabama. This initiative began through the efforts of the Alabama Law Enforcement Agency (ALEA), Alabama District Attorneys, Office of Prosecution Services (OPS), Alabama Chiefs of Police, and Alabama Sheriffs, and later codified by the Alabama Legislature. This report provides a detailed summary of the reported seizures of property by law enforcement agencies related to criminal actions and civil forfeiture actions by state prosecutors during fiscal year 2022. When a seizure results in a due process action in an Alabama court, the following data is entered into a database by one of Alabama's District Attorneys or the law enforcement agency that seized the property. Within the report, you will find a summary for each circuit and seizing agency.

Background

Asset forfeiture is a civil court action used to either disrupt criminal activity by confiscating instrumentalities used to commit crimes or deprive criminals of the proceeds of crimes. In 2018, the Alabama Justice Information Commission (AJIC) and OPS voluntarily created this process for reporting civil asset forfeiture actions in Alabama, which originated when state prosecutors created a standard report submission process. The legislature adopted that process and codified it into law with the *Alabama Forfeiture Information Reporting Act* (§§41-9-655 et al., Ala. Code 1975).

Under the act, a state prosecutor has the discretion to file for the civil forfeiture of property seized by police while investigating a criminal event. Before an item or currency may be seized, there must exist probable cause that either (1) the item or currency is the instrument of a crime or criminal enterprise or (2) the item or currency is the profit or proceeds from a crime or a criminal enterprise or (3) were the property is lawfully recognized as abandoned property or contraband. The prosecutor generally has a short window of opportunity to file for forfeiture after the seizure, but it may take considerable time for disposition of that property. Therefore, the reported numbers associated with forfeitures during the fiscal year do not directly correlate with the number of seizures for the same time period. Further, there may be multiple civil forfeiture cases related to the same criminal activity or multiple dispositions for property seized during a single seizure event. For example, police may seize a vehicle and currency related to a crime. The court may decide to keep the currency, as proceeds or profits of a criminal enterprise, but return the vehicle to the offender's spouse, or other third-party claimants or innocent owners.

All seizure and forfeiture actions in this report are subject to due process and judicial review. Any person from whom an item or currency is seized has a right to object and an opportunity to be heard in a court of law. The state has the burden of proof to prove that the items or currency were the proceeds of a crime, contraband, lawfully recognized abandoned property, or an instrument of criminal behavior.

Context

As you review this report, please keep in mind the overall activity of Alabama's 11,000-plus sworn officers. In 2021, statewide law enforcement officers were involved in over 250,000 criminal events, leading to more than 180,000 arrests. Also, law enforcement issued over 684,000 traffic-related tickets or warnings during FY2021. This report should be received in the context of the overall activity and interactions of Alabama's law enforcement and the public.

Automated Reporting

AJIC, through ALEA and OPS, jointly, developed the Alabama Forfeiture Accountability System (AFAS), which is an online reporting information system for Alabama prosecutors that allows each circuit to electronically enter forfeitures. The attached report is based on the seizure and forfeiture actions entered into this system.

Final Note

Because AFAS is a relatively new production, some information related to seizures and forfeiture actions during the past fiscal year may not be complete as of the date of the report. AJIC may release an updated report later this year.

FORFEITURE TOTALS

The following report details seizures and forfeitures for Alabama from October 01, 2021, through September 30, 2022. Please note the following when reading this document:

- The date for each forfeiture corresponds to the earliest seizure date for the forfeiture. Some forfeitures may have been started in one month and closed out in a subsequent month.
- There may be multiple seizure events (e.g., different day of seizure or different locations) that are forfeited in a single disposition. The forfeiture count in this totals section correspond to each forfeiture case.
- Each forfeiture case will be categorized in one of the following statuses: Default, Dismissed, Litigation, Pending, Pleading or Settlement. A Default, Dismissed, Litigation, Pleading or Settlement status is considered a closed case.
